BEERS

LEO
Drinking Leo isn t just for out the front of 7/11 s. Aroma is a light malt, toasted with hints of sweet corn

SINGHA
You ve seen it on a vest in Bangkok, so now s the time to try this strong malty flavour which pairs perfectly with curry

CHANG
A mild beer with flavours of fermented grains, hops & rice. Some may call it - the official taste of Pattaya

TIGER
Whilst not quite as magical as Charlie Sheen s tiger blood this lager lives up to its name with a powerful pils malt & floral hops finish

SAN MIGUEL LIGHT
A light and reduced-calorie lager with an exceptionally smooth and crispy taste. Great for those who ve eaten a few too many pies

PERONI
A distinctly hoppy aroma with notes of banana and grapefruit, easy to drink with a crisp, elegant and refreshing taste close your eyes & you re on a superyacht in Capri

HEINEKEN
Often referred to as the ugly step-sister of beers, but this lager has stood the test of time. Crisp & refreshing has a short & slightly bitter finish, much like expats in Thailand

KIRIN
What do you get when you cross Germany with Japan? If you guessed Gapan, you re wrong. You get a pretty amazing lager! Kirin is built on the traditions of the Japanese but retaining the use of malted grains & hops imported from Germany.

ASAHI
Is there anything the Japanese can t do? Crisp with a faint aroma of pale malt with floral notes. Drink too many & you could wind up being an Asa-hole

MENABREA ITALIAN BIRRA
Scusa mi but this may be on of the best Italian lagers south of Sicily! Using delicate barley malts & maize, makes for a light crisp sip.

HOEGAARDEN
We all wish we had one at home, but alas. Enjoy the fantasy here instead & indulge in this creamy & light but earthy weetness derived from wheat

GREENE KING (440ML)
IPA or OMG?! This delicious easy drinking, session ale with a hoppy taste and aroma making it clean, crisp and definitely moreish

OLD SPECKLED HEN (440ML)
No one likes a spotty cock, but a speckled hen now that s a different story. Full & smooth flavour and frankly every easy to drink with superb fruity aromas complemented by a delicious blend of malty tastes the MG of beers.

WEXFORD (440ML)
When the tasting notes sound like an actual Irishman. A tawny-red brew with a fluffy head & big nose. An ale everyone loves

WHALE PALE ALE
Upfront hops & crisp earthy flavours with a grassy bitterness. Faint fruitiness of citrus and lime follows thereafter while malt is the backbone. Finally something those Aussie convicts can be proud of
